EXAMINER'S COMMENT

The examiner makes of record that the applicant's arguments dated 1 December 2006 contains a typographical error. The foreign priority to Japanese patent application number JP 2002-278917 is incorrect. The correct foreign priority patent application number is JP 2002-278971. The examiner further notes that the English translation of JP 2002-278971 dated 1 December 2006 is the correct document.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Geoffrey Mruk whose telephone number is 571 272-2810. The examiner can normally be reached on 7am - 330pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen Meier can be reached on 571 272-2149. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
